Howdy Dee,

I just got word from Eric Daly that his interview for R2 Management position will be on Tuesday, August 1. I planned on helping him pack the GOV, as well as riding with him to Niagara Falls on Sunday, July 30 for our Monday, July 31 start day at the site. Before going through the hassle of amending my TA, is there anyway that I could keep my travel plans and work with Eric on Monday in Edison so that I am not losing a day due to travel? I would work on the disposal proposals for this last demode of NFB.

Thanks a bunch,

Lyndsey
